MITRAL VIEW is a service intended for health professionals developed with the goal of introducing the basic principles of echocardiography to be mastered in daily practice. The use of MITRAL VIEW is subject to legal notices, to the policy of protection of privacy and to laws and regulations in force.

1. Acceptance of general terms. Your access to and use of information or communication related to MITRAL VIEW are governed by the terms below, by privacy policy and all applicable laws and regulations. All users must carefully read this legal notice. If you do not accept these general terms, please do not access MITRAL VIEW. By accessing and browsing through MITRAL VIEW, you declare that you fully understand, accept and agree to these terms without limitation or restriction, as well as to any other notice or any other instruction which may be issued by ULTRASOUND EXPERTISE. Furthermore, you accept that your access to and use of MITRAL VIEW renders any other agreement between yourself and ULTRASOUND as null and void and of no legal effect. In accordance with the provisions of the Act No 98-536 of 1 July 1998 regarding the legal protection of data, ULTRASOUND EXPERTISE is the sole owner of its database which is accessible through this application.
2. Scope of use. ULTRASOUND EXPERTISE maintains MITRAL VIEW for the purpose of communication intended for health professionals. You agree not to use MITRAL VIEW to promote your own services or products or those of a third party, to advertise or to conduct business directly or indirectly associated with such services or products, or to any other end which would be illegal, immoral or contrary to public order, or in other way whatsoever contrary to these general conditions. The opinions and recommendations expressed by users of MITRAL VIEW are theirs alone and in no instance indicates that ULTRASOUND EXPERTISE approved or recommended any specific product or service. We invite you to freely browse MITRAL VIEW. You are not authorised to copy, distribute, change, transmit, re-use, re-publish, create a link or use the contents of MITRAL VIEW for commercial or public purposes, including but not limited to texts, photos, graphs, tables, images, icons, technology, software, audio and audio-visual content, graphicdesign, source or native codes and links (to MITRAL VIEW or its sub-domains and/or directories) without prior written

consent from ULTRASOUND EXPERTISE and which is limited to that permission only.

3. Intended audiences and territories. ULTRASOUND EXPERTISE makes every reasonable effort to ensure that access to MITRAL VIEW and its contents comply with the applicable laws, codes and regulations, but does not claim that MITRAL VIEW's information is suitable for or available in regions outside of France/French Overseas Departments and Territories or for persons whom MITRAL VIEW did not intend to be recipients. The use of MITRAL VIEW by persons not intended as recipients and/or access to MITRAL VIEW in countries where the contents of MITRAL VIEW is likely to be illegal or unsuitable is prohibited.
4. Intellectual property: In accordance with the provisions of Article 6 III-1 of the Act No 2004-575 of 21 June 2004 to promote confidence in the digital economy, we inform you that: This application called "MITRAL VIEW" is the exclusive property of ULTRASOUND EXPERTISE, 35, rue Vauban, 64500 Saint Jean-de-Luz, France, The publishing director of the MITRAL VIEW application is Stéphane Lafitte. MITRAL VIEW, its structure, its graphics standards, its content (texts, publications, trademarks, logos, photographs) as well as all rights related to it, form a work protected by copyright and database rights. ULTRASOUND EXPERTISE grants a non-exclusive personal right of use to all MITRAL VIEW users. This right of use does not imply the cession of intellectual property rights in any way whatsoever. All reproduction, representation, publication, distribution, transmission or more generally, all usage of the MITRAL VIEW application or information contained therein without prior consent from ULTRASOUND EXPERTISE is strictly prohibited and may lead to prosecution in a court of law. ULTRASOUND EXPERTISE does not guarantee nor claim that your use of the media posted on MITRAL VIEW does not infringe upon any rights of a third party not owned by or affiliated to ULTRASOUND EXPERTISE.
5. Disclaimer. While ULTRASOUND EXPERTISE makes every reasonable effort to present accurate and up-to-date information on MITRAL VIEW (in accordance with its internal procedures of revision and validation of all content), it neither guarantees nor claims that the information is accurate. ULTRASOUND EXPERTISE declines all responsibility within the limits permitted by law, in case of errors or omissions in the contents of the MITRAL VIEW application. ULTRASOUND EXPERTISE is not responsible and cannot be held liable for any use of MITRAL VIEW contrary to these terms, the privacy policy and all the applicable laws, codes and regulations. The users are solely responsible for how they make use of MITRAL VIEW.
6. Limits of liability. While ULTRASOUND EXPERTISE makes every reasonable effort to implement and maintain high technical standards and effective measures, you use MITRAL VIEW at your own risk and peril. Neither ULTRASOUND EXPERTISE nor any other party involved in the creation, production and delivery of MITRAL VIEW can be held responsible in case of any direct, incidental, indirect or punitive damages resulting from your access to or use of MITRAL VIEW. ULTRASOUND EXPERTISE declines all responsibility and cannot be held liable for damages of any kind whatsoever, or for virus infection of your computer hardware or any other property belonging to you because of your access to, use of or browsing of MITRAL VIEW or

downloading of any material, data, text or images from MITRAL VIEW, or even in case of technical problems partially or completely affecting the availability and smooth running of the application.

7. Submission or exchange of information. You are not allowed to publish or to transmit in any way or to make comments, exchange opinions, information or materials which are unethical, immoral or disturbing public order, illegal, false, unfair, biased, exaggerated, inappropriate, inaccurate, threatening, slanderous, obscene, abusive, offensive, derogatory, indecent, contemptuous, pornographic, vulgar, likely to be offensive or which would constitute or encourage behaviour that would be considered a criminal offence, would incur civil liability, would violate any law or any code or applicable regulation in the pharmaceutical industry in one way or another or which would not be suitable for the intended audience. Furthermore, you are prohibited from publishing or transmitting in any way whatsoever or from making comments, exchanging opinions, information or material which (a) infringe upon the rights of others or violate the privacy or publicity rights of others, (b) are protected by copyright, by trademark rights or other property rights, except with the express written consent of the holder of the aforementioned rights, (c) contain a virus, a bug or any other harmful item or (d) constitute an illegal collusion against another person by obstruction of freedom of trade or competition. You are solely responsible for damages resulting from an infringement of copyright, trademark rights or any other property rights or any other damage which may result from your use of MITRAL VIEW. Notwithstanding the above, ULTRASOUND EXPERTISE reserves the right to remove access to any service from users if they become aware of any illegitimate use (for example submission of content which is illegal, immoral, contrary to public order, contrary to these terms, any impersonation, any use which is or which may be harmful to the image of the company or its groups, etc.) and likewise it reserves the right to delete the aforementioned illegitimate content. In order to respect the privacy of subscribers and to fight against spam and the illegitimate collection of private data, access to the services of the MITRAL VIEW application is limited to manual use and all robot use is prohibited. Automatic use of the service in order to establish a commercial database is in particular illegal.
8. Applicable law. This agreement and its execution are governed by French law, without regard for clauses conflicting with law. You consent and submit to the exclusive competence of the French courts with regard to all issues, disputes and points of contention ensuing from your use of MITRAL VIEW and from this agreement.
9. MITRAL VIEW Term. To the extent that the applicable law permits, ULTRASOUND EXPERTISE may at any time modify, and/or suspend or remove, temporarily or permanently, all or part of MITRAL VIEW and its content, its functionalities or services included therein.
10. Modifying the agreement. In accordance with the applicable laws, ULTRASOUND EXPERTISE may at any time revise the terms of this agreement which governs the

use of MITRAL VIEW. If one of the terms contained in this legal notice is changed, the amended legal notice will be published in MITRAL VIEW. You are subject to these revisions, and must therefore regularly check these terms.
